**RESPONSE TO OFFICE ACTION**

Dear Sir:

This is in response to the Office Action mailed December 23, 2008, the shortened statutory period for which runs until March 23, 2009. Please revise the subject application in view of the following remarks.

**PRELIMINARY MATTER**

As a preliminary matter, the applicants note that Claims 1-38 and 50 are currently rejected on the same basis (35 U.S.C. § 102(e)) as they were rejected in the very first Office Action, mailed more than two years ago.

It appears that after receiving applicants' first Response, the Patent Office became aware that this ground of rejection cannot be maintained. Consequently, by the time the Office mailed a second Office Action, the Office dropped the rejection of Claims 1-38 and 50 under 35 U.S.C. § 102(e), and had not rejected Claims 1-38 and 50 under 35 U.S.C. § 102(e) for two years.
